

acp Orange County Chapter Presents A Resilient Nation

In the aftermath of a disaster, is your business or your region ready to recover in such a way as to minimize the adverse impact on its community and temper the rippling effects throughout the state and nation? We must be resilient to the impact of a disaster; capable of withstanding the shock without permanent deformation or rupture; able to recover from or easily adjust to misfortune or change. We must be able to bounce back from catastrophic events; to sustain lives and restore business operations allowing employees, communities, and families to recover quickly.

Steve Jordan, Principal, Traiden Global Solutions

ReadyOC Emergency Preparedness Campaign

Orange County's emergency preparedness resource

ReadyOC is a public service campaign funded by the Department of Homeland Security aimed at educating and empowering Orange County residents, businesses, and the community to better prepare for emergency situations. In this presentation, we will discuss how local residents can better prepared for a variety of emergency situations that could impact the county and also to offer opportunities for concerned citizens to get involved in local readiness efforts including our Promise to Prepare initiative.

Rick Miltenberger, Senior VP, Westbound Communications

ACP Meeting Sponsor

Send Word Now is the leading provider of on-demand alerting and incident response services for both routine and emergency communication. The easy-to-use, web-based emergency notification service ensures fast, effective, two-way communication in real-time.
